OUTSTANDING COLLABORATION AND INNOVATION

The Power Play Awards Papua New Guinea highlights the accomplishments of exceptional women, and the men who uphold the importance of supporting and empowering others in the workplace, across Papua New Guinea's LNG and decarbonisation industries.

The Low Carbon Accelerator Award recognises a woman who is making significant contributions by leveraging innovation and collaboration to accelerate society's path to net zero. She has a remarkable talent for uniting parties with diverse interests towards a shared objective of decarbonisation. Her innovative thinking and unwavering commitment to overcoming complex challenges is truly inspiring. Whether through research and development or by forging strategic alliances, partnerships, or deals, she is driving the transition forward.

ELIGIBILITY

- Anyone can submit a nomination including employees, associates, friends, family, coventurers, customers and yourself.
- All nominees must be Papua New Guinean and employed in any discipline within the "Liquefied Natural Gas (LNG) and/or decarbonisation" industries within Papua New Guinea. This includes, but is not limited to, exploration, extraction/production, storage, liquefaction, transportation, regasification, innovation, technology or professional services.
 - The key objective behind these awards is to shine a light on the newcomers and smaller players in Papua New Guinea, in particular, encouraging nominations from resource holders, buyers, co-venturers and floating storage regasification unit providers.
- Nominees may serve in either the public or private sector, or with trade associations and other associated industry groups.
- All nominees must give their consent to the Power Play Awards Papua New Guinea terms and conditions.
- Rising Star candidates must be 35 years of age, or younger, by the final day of submissions, 30 May, 2025.
- All nominees must give their consent to submit to the nomination process and consent to the use of their image and profile in all publicity and promotion related to the Power Play Awards Papua New Guinea.
- Any confidential or proprietary information must be noted as such within the nomination form

EXCLUSIONS

- ExxonMobil employees and staff contractors across all its operations in Papua New Guinea at the time of application are not eligible for self-nomination or nomination by someone else. However, current ExxonMobil staff are encouraged to nominate a deserving candidate from across the wider "Liquefied Natural Gas (LNG) and/or decarbonisation" industries in Papua New Guinea.
- Members of the 2023, 2024 and 2025 Power Play Awards Papua New Guinea and global Power Play Awards Judging Panel, as well as their immediate family members, are not eligible for nomination.
- Power Play Awards Papua New Guinea 2023 and 2024 Best of the Best recipients and winners of the Global Power Play Awards 2023 and 2024 are not eligible to be nominated.
